Observations and Corrective Actions

Violations cited in this report must be corrected within the time frames below, or as stated in sections 8-405.11 of the food code.

Spell

45 0-pts. Overall equipment repair looks good, but there is a condensation leak in the walk-in freezer that needs to be repaired.

52 The plug is missing from the dumpster. This was a comment on the last inspection.

53 Repeat. There are many items for the grocery store that are in the floor in the walk-in freezer and in the dry storage room. All storage need to be above the floor to allow for cleaning. Some detail cleaning is needed on the floor drain beneath the dish machine and behind the ice machine.
