Observations and Corrective Actions

Violations cited in this report must be corrected within the time frames below, or as stated in sections 8-405.11 of the food code.

14 0-pts. The nozzles and undersides of the soda dispensers need cleaning. CDI-soda nozzles were cleaned.

41 When the ice bin at the soda dispenser was being refilled the employee put the ice scoop on the soda drain. Otherwise the scoop was stored in the ice. Be sure to put the scoop on a clean dry surface when it is out of the ice bin.

42 Several pans were stacked wet. Allow pans to air dry before stacking.
