Observations and Corrective Actions

Violations cited in this report must be corrected within the time frames below, or as stated in sections 8-405.11 of the food code.

- 1 A person in charge that has passed an approved food manager's safety course must be present during all hours of operation. Two points will begin being deducted on 1/1/2014 if this requirement is not met. Additionally, the certificate indicating the person in charge has passed an approved course must be on site.

- 2 An employee health policy agreement must be in place and each employee must be informed and aware of the policy requirements. The owner has started this process. It must be fully implemented before the next inspection.

- 6 Observed an employee go from working the register to handling food without properly washing hands, she was just putting on gloves. Whenever an employee changes job functions, such as working the register to handling food, they must properly wash hands prior to putting on gloves. When washing hands, the proper procedure is as follows: wet hands with warm water; dispense soap and lather for at least 15 seconds while paying attention to nail beds and between fingers; rinse in warm water; dry hands with an approved hand drying device or disposable paper towel; turn off faucet without touching the handles of the faucet.

- 14 There was some dried lemon rinds on the wedger. Be sure all parts of the lemon wedger are properly cleaned after use.
